[कुलर-कोशः] The Kular Lexicon (Indica Ethicos v1.2)

I. The Core Root

- **कुलर् (Kular):** The root for **Recursion**.
 - *Definition:* A process that repeats, resets, and stays within a loop. (The "Engine").

II. Pure Lexicon (Universal/Nature/Math)

- **कुलराणी (Kularāṇī):** The **Land of Recursion** (Kerala).
 - *Definition:* A territory defined by infinite mathematical cycles and the legacy of Madhava.
- **कुलराङ्कम् (Kularāṅkam):** The **Recursive Index**.
 - *Definition:* The specific number or "lap count" (**\$i\$**) of a loop. It marks exactly where you are in a cycle.
- **कुलरचित्रम् (Kularacitram):** The **Recursive Image**.
 - *Definition:* A pattern that repeats inside itself, like a fractal in nature (a snowflake or a spiral shell).
- **कुलरक्षेत्रम् (Kularakṣetram):** The **Recursive Field**.
 - *Definition:* A domain where loops happen naturally (like an echo chamber or a life cycle).
- **कुलरति (Kularati):** The **Verb**.
 - *Definition:* "It loops." The active state of repeating a process.
- **कुलरणम् (Kularaṇam):** The **Noun**.
 - *Definition:* The general concept of "Looping" or "Iteration."

III. Vā-Lexicon (Digital/AI/Automation)

- **वाकुलरः (Vākularaḥ):** The **Agentic AI**.
 - *Definition:* A digital entity that runs on its own loops to solve problems (Your n8n "Bots").
- **वाकुलराङ्कम् (Vākularāṅkam):** The **Digital Index**.
 - *Definition:* The counter in a script that tracks how many times it has executed.
- **वाकुलरचित्रः (Vākularacitraḥ):** The **Digital Recursive Graphic**.
 - *Definition:* A loading spinner, a UI buffer, or **Live AI-generated art** that morphs in a loop as you type.
- **वाकुलरक्षेत्रम् (Vākularakṣetram):** The **Digital Agent-Field**.
 - *Definition:* The workspace (like n8n) where your AI agents and loops live.
